

FINANCIAL POLICY

The best dentistry is based on mutual understanding. In order to prevent any misunderstanding about finances, the following credit arrangements are available.

1. Payment or Co-pay is due at the time of service. A 5% discount is provided for Senior Citizens *without* dental insurance (60 yrs. or older).
2. We accept Visa, Master Card or Discover.
3. Payment is expected at the time of service unless approved financial arrangements have been made per each visit.**

**Patients who fail to pay as per approved financial arrangements will incur a 23% Finance charge

DENTAL INSURANCE

We are happy to cooperate with patients who have dental insurance.

We ask that you read your insurance policy and be fully aware of any limitations of the benefits provided. We will gladly help you with any questions you may have. Your insurance agreement is between you and your insurance carrier; therefore, it is to your benefit to understand all aspects of your dental plan. You are ultimately responsible for services rendered to you should your insurance company fail to reimburse our office.

Insurance coverage quoted by our office is approximate only. Any change in your treatment plan either by your choice or by necessity will change the fees quoted.

APPOINTMENTS

So that we can provide you with optimal care in the time scheduled, please be on time for your appointment. If you are unable to make an appointment, we respectfully request that you give us 48 hrs notice. We reserve the right to charge \$50 for No Show or Late Cancellation (except for emergency situations).

I have read and fully understand and agree to the above policy of this office.
